Dear Kath

Grounds Maintenance program to start April 2022

16 x fortnightly mowing visits March to October.

- *All grass around site to be cut.
- *Strim around all obstacles.
- *Perimeter hedges to be cut once a year, outside of the bird nesting season and to around 2.5m in height.
- *Blow off paths after each visit.
- *Apply weed treatment to the hard and soft landscaped areas as and when needed and only in term time if preferred.
- *Litter pick site every visit.
- *All waste produced from the works quoted to be removed off site.

Any extra work requested and carried out that is not listed above will be invoiced accordingly.

The cost for the above works totals **£1318.31+VAT** for your convenience a monthly payment of **£109.85+VAT** can be made over a 12 month period.

I trust that you find my quotation acceptable and look forward to hearing from you in the near future, if you have any questions regarding works to be done or prices please do not hesitate to contact me.

Yours Sincerely

Paul Fox
