Dear Kath Gruber

**Playground Inspection Works**

Level Surface on playing field gate.

Make good, uneven surface – toddler swing

Secure down the lifting matting under swing seats and around the supports, which is lifting under seats – 2 swing equipment.

Secure down grass matting, lifting at the edges – toddler swing

Secure down various parts of the surfacing, which are rising causing potential trip hazard – muti play unit.

To all the above we shall add topsoil and grass seed where needed

Remove moss and algae – path around the muga, apply wet and forget.

Remove any waste

Any extra work requested and carried out that is not listed above will be invoiced accordingly.

The cost for the above works totals **£790.00+VAT**.

I trust that you find my quotation acceptable and look forward to hearing from you in the near future, if you have any questions regarding works to be done or prices, please do not hesitate to contact me.

---

Yours Sincerely

Paul Fox
